Special Needs – Contingent Representative and List

Please consider the environment before printing this publication

Dear Head of Contingents,

Following the discussion on the 3rd HoC Meeting, we have created this circular to provide you more detailed information about our special (additional) needs provision. We are aware that the safety and enjoyment of participants are the most important elements of the European Jamboree 2020. To ensure this, it's crucial that we know all of your additional needs.

To make the whole process easier, we are asking you to name a Special Needs Representative for your Contingent and prepare a list of the special needs occurring in your Contingent that may require additional adjustments.

The representatives' tasks will be:

- Creating a list of participants and ISTs with special needs (the list must include: Contingent, full name and special needs).
- Staying in touch with our department before and during the Jamboree.
- Responsible for providing help to the persons with special needs.
- If no representative is appointed, then the HoC is automatically given that position.

Specific needs may require additional adjustments require reporting and include:

- Somebody receiving injections, that have to be performed by a nurse and medication that requires to be kept in a fridge.
- A diabetic that requires particular conditions for his/her medications and might need somebody's help.
- Someone who has mobility limitations and requires bathroom adjustments and specialist equipment.
- People with epilepsy.
- Participants requiring any sort of assistance during programme activities.
- Someone with strong allergies and food intolerances that might require alternative dishes.

Please note that this list will not include all of the possible examples and this is why we ask you to gather the data about any difficulties and additional needs in your contingents.

In ensure that we can provide the best possible adjustments, we require you to send us a nomination of your Special Needs Representative together with a list of your special needs by 31 March 2020. This list needs to be sent to spn@ej2020.org titled: [contingent's name]_list.

If there is anything you are unsure about, please don't hesitate to e-mail us. We will consult other departments and respond to you as soon as possible.
