**IST ADVENTURE**

## Why it is worth to take part in the IST Adventure

Within the IST Adventure there will be routes all around the country, available at different prices and consisting of various types of activities, from hiking in the Polish mountains, to riding on a tank. We believe that for IST it will be a very good introduction to the European Jamboree 2020 and first chance to meet new friends.

We encourage you to share this opportunity with IST members of your Contingent.

Should you have any questions, please contact us at [info@ej2020.org](mailto:info@ej2020.org).

Yours in Guiding and Scouting,  
Jamboree Planning Team
