

Connecting Experience Is Poverty here?

AGE GROUP

11+

AMOUNT OF PEOPLE

3+

TIME

30 MIN – 1 HOURS

OBJECTIVE

To talk about what kind of poverty there might be in their area and who is there to help.

MATERIAL

Paper, pens

Instructions

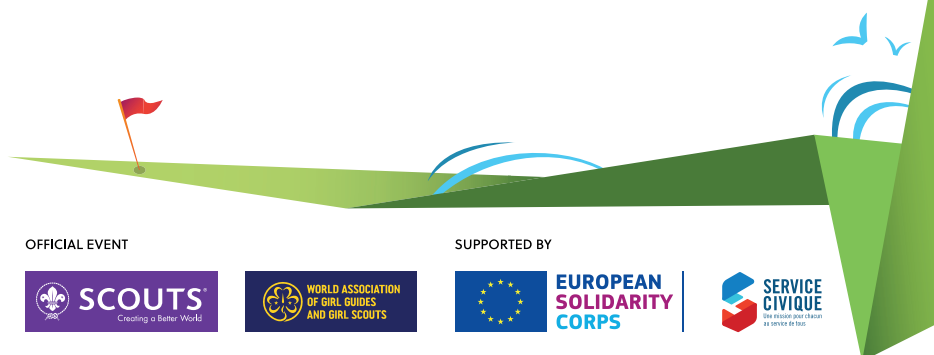

Split participants into small groups and have them discuss what types of poverty there are in their local area and to write down what they think.

Then have them think about what can be done to help and what groups there are in their area that can help.

Have the group come together at the end to share the different thoughts they have.

Debrief:

- ▶ Why do you think that kind of poverty exists where we live?
- ▶ What do you think could be done to help the situation?
