

Connecting Experience Inequality Project

AGE GROUP

11+

AMOUNT OF PEOPLE

3+

TIME

1 – 2 WEEKS

OBJECTIVE

To get involved with a group facing inequality in your area and do a project to assist them.

MATERIAL

n/a

Instructions

Start by identifying a group in your area that faces inequality. Research to discover if there are any initiatives or projects set up to assist them. If a project exists you can get in contact with them to collaborate, or if not, you can create your own project!

Example: Solidarity dinners or food sharing events with people in refugee centres, taking part in a pride event, connecting with the elderly or helping out at a support centre for people with disabilities or illness.
