

Connecting Experience

Is my city accessible?

AGE GROUP

11+

AMOUNT OF PEOPLE

10+

TIME

2 HOURS

OBJECTIVE

To learn about the rules of accessibility in your country.

MATERIAL

Papers, internet access or library, pen

Instructions

Depending on your region and population, choose a group of people who have different access needs, for example: children, the elderly, people with reduced mobility. Find out what needs these groups have, and what rules exist to protect these needs.

Debrief:

- ▶ Which rules do you think are the most and least respected? Why?
- ▶ Are there any other rules you think should be made?
