

Connecting Experience Ocean Exploration

AGE GROUP

7+

AMOUNT OF PEOPLE

5+

TIME

20 – 30 MINUTES

OBJECTIVE

To discover the many creatures that call the water home.

MATERIAL

n/a

Instructions

Each participant should choose a sea creature to research, you can give free choice or ask them to choose one that starts with the same letter of their name.

Encourage them to learn some interesting facts, to find out where in the water the creature lives, what it eats etc.

They should also create a costume inspired by this creature from recycled and reused materials to wear at the meeting.

At the meeting, have the participants give a presentation to the group about what they've learned.
