

## Connecting Experience

# Your peace and Justice

AGE GROUP

11+

AMOUNT OF PEOPLE

5+

TIME

1 HOUR

OBJECTIVE

To create your own definition of justice and peace.

MATERIAL

Papers, pen, art supplies

### Instructions

On one piece of paper write the word justice and on the other, the word peace.

Each participant can write on the pages what the word means to them, participants can also interview others in their community about what their definition of the words are.

Once all ideas are collected, use them to create a definition for each word. Share these definitions and ideas with the wider community through posters, videos or song.
