Food around the world

AGE GROUP

11+

AMOUNT OF PEOPLE

8+

TIME

40 MIN

OBJECTIVE

To learn about food waste.

MATERIAL

Paper, pens

Instructions

Split participants into groups of 4, participants should choose one member of the group to be the 'secretary' who will write down the group's answers and another to be the 'reporter' who will present their group's ideas back to the rest of the participants.

The leader will call out the questions one at a time and write them on a big sheet of paper. The participants have 5 minutes each time to respond.

When the reporter presents their groups ideas, the Leader should write all the answers below the question to create a cloud of Ideas. If a word is said more than once, underline it every time a group says it.

Here are some questions that you can use:

- ▶ Define "Food Waste" in 3 words.
- ▶ How much food do you think is wasted, on average, every year in the world?
 - ▶ Response: 1,3 billion of kg in average.
- ▶ Where and when does food waste happen?
- ▶ Why is it important to reduce Food Waste?
- ▶ What is an action you can do to fight Food Waste?
