# Where do I learn?

AGE GROUP

7+

AMOUNT OF PEOPLE

3+

TIME

25 MIN

OBJECTIVE

To identify learning opportunities in their life, and the what they learn there.  
To discuss how life would be different if they didn't have these opportunities.

MATERIAL

Paper, markers/pencils/crayons

### Instructions

Each participant should draw the different places in their life where they learn things, and what they learn there, eg. at home, Scouts/Guides, School.

When they've finished, each person should present their picture to the group and talk about what they've drawn.

### Debrief:

- ▶ Where is your favourite place to learn? Why?
- ▶ What do you enjoy learning the most?
- ▶ Do you think it's important to learn new things? Why/why not?
- ▶ Where you surprised by the different places people in the group learn?
- ▶ Do you think life would be more difficult if you didn't get to learn? What do you think would be different?
